H2O GUARD® ScaleGon™
SAFE AND CLEAN WATER SOLUTIONS

Wall-Mount Conditioning Systems – 3 Configurations
Options: 1-Stage, 2-Stage, 3-Stage Systems

Our systems offer comprehensive water treatment tailored to your needs. Each configuration includes the advanced ScaleGon™ cartridge for chemical-free scale prevention while retaining essential minerals. Designed for easy installation, these systems deliver reliability, durability, and superior water quality.

1 x ScaleGon™ Cartridge

Stage 1: Carbon Block Filter
Stage 2: ScaleGon™ Cartridge

Stage 1: Sediment Filter (5 micron)
Stage 2: Carbon Block Filter
Stage 3: ScaleGon™ Cartridge

Features and Benefits

- Salt-Free Scale Prevention: Uses ScaleGon™ media to reduce scale buildup without removing essential minerals like calcium and magnesium.
- No Salt, Wastewater, or Electricity: Eco-friendly and maintenance-free, this system needs no salt, power, or messy cycles—no brine or drain connection.
- Cleaner, Healthier Water: Cuts down sediment, chlorine, and other contaminants while keeping beneficial minerals.
- Extend Appliance Lifespan: Improves performance and longevity of water heaters, washing machines, dishwashers, Ice Machines, Dispensers and more by reducing scale.
- Customizable Filtration: Choose 1-stage (scale), 2-stage (chlorine + scale), or 3-stage (sediment, chlorine, and scale) setups to meet your needs.
- Landscape-Safe Water: Treated water is safe for lawns and gardens with no mineral discharge.
- Works with City or Well Water: Compatible with most municipal and well water systems.

Operating Parameters

Input/ Output Connection - 3/4 - 1"
Operating Pressure - 6 Bar (90 PSI)
Maximum Recommended Pressure - 80 - 100 PSI
Minimum Recommended Pressure - 40 PSI
Flow Rate - 4 Gallons per Minute
Filter Cartridge Size - 4.5" x 20"
Filter Life: 12 Months or as needed.

Applications:

- HORECA*: Provides clean water for cooking, food prep, and guest use.
- Laundromats & Dry Cleaners: Reduces scale, minimizes detergent use, and protects equipment.
- Boats & RVs: Offers portable filtration to remove chlorine and sediment.
- Coffee Machines & Coolers: Enhances beverage flavor, reduces scale, and extends appliance life.
- Residential Homes: Ensures cleaner water for showers, plumbing, and cooking.
- Small Offices & Commercial Spaces: Supplies clean water for staff and improves beverage taste.

*Note: HORECA- Hotels, Restaurants and Catering
